3. 3 Over/Under Bet: An over/under bet is a bet on the total points scored in a game. The sportsbook sets a 3 number, and you can bet on whether the total points will be over or under that number. For example, if 3 the total is set at 215.5, you can bet on whether the total points scored in the game will be 3 over 215.5 or under 215.5.
4. Futures Bet: A futures bet is a bet on the outcome of a future event, 3 such as which team will win a championship or which player will win a certain award. Futures bets can be 3 made months or even years in advance.
