After registration, it's easy to get stuck into our brilliant online slots. They're fun and exciting, yet simple and relaxed! We like to describe PocketWin as an innovative yet low-pressure gaming experience! Our collection of online slots is full of unique themes! You will soon learn that each time you play online slots, each game has its own set of easy-to-follow instructions. Therefore, even if you have never so much as touched a slot game before, you should be able to easily understand the rules! This section is known as the Paytable, and can be found in the top left corner of most games! It will reveal details about Win Lines, Free Spins and any unique feature-game modes!

How to Play Online Slots? Again, it really is simple! Most of PocketWin's online slots have the same base instructions. By simply clicking the spin button, the game will do the hard work! Slots are fantastic because you don't need to be an expert at games to enjoy them! Wins are always

determined by chance so no prior training is necessary! All you need to do is get lost in the immersive graphics and gameplay. A good basic rule of thumb is to try and match symbols along a pay line. A win will be determined based on the information displayed in the Paytable. It will depend on the value of the symbol and the amount you have on a Win Line – essentially, the more you get in a row the more you can win! Pay attention to the Paytable and the game rules and you should be enjoyably spinning in no time at all!

What Makes a Slot Game? Online slots are usually made up of various components, these elements all play a part in the games that we know and love! Read on to learn some of the core elements of our online slot games: **Win Lines** You need to take advantage of Win Lines to even earn a win! A lot of our games use Win Lines to show you the specific order of identical symbols you'll need to match to gain a win! Make sure to check the Paytable to find out the details of each game's Win Lines. **AnyWays Wins** However, it's important to note that not all our games use Win Lines. Some of our games are known as AnyWays Wins slot games! These games are different in that they don't tend to have a list of specific Win Lines, but instead opt to show you a guideline of ways you can win! They will still usually pay from left to right, but instead can offer you over 200 different ways to earn a win. Make sure you check the Paytable to truly understand these online slots!

What Features Are in Our Slots? Though people love slots for their simplicity, we also understand that special bonus features are important! That's why all of our games come decked with aspects to keep you engaged! With Free Spins, Wild symbols, Prize Pickers and more, you are sure to find some exciting variety in our games! Here are some common features to keep your eyes peeled for: **Free Spins** Free Spins are one of our favourite features! There's nothing quite as exciting as exploding the reels with Free Spins that you don't even have to pay for! They usually use the last bet amount placed and some games can even offer you enhanced Free Spins with extra multipliers! **Wild Symbols** Don't sleep on Wild symbols! They can give you the chance to turn a losing spin into a winning one – essentially, providing you with even more ways you can win! **Prize Picker Mini-Game** Now, we just adore it when a game offers Prize Pickers! This bonus is mostly triggered through a combination of Bonus symbols. These games often give you a chance to make a pick and you will be rewarded! Sometimes you could earn extra multipliers, but you can also receive additional features like Mega Spins! **Mega Jackpots** Our games can offer you the chance to earn the progressive Mega Jackpot! This is a highly sought-after and ever-growing reward, could you be one of many to obtain it?

Play Online Slots With Bonus Free Spins! Here at PocketWin, we not only offer in-game Free Spins, but we also love to treat our players with fantastic promotions!
